**RE: Certificate of Competency No. 09-0908.02  
Structural Steel and Misc**

Dear Allan A. Abbata:

Thank you for participating in the **Miami-Dade County's Fabricators Certification Program** administered by the Product Control Division of the Building Code Compliance Office. Enclosed please find the above referenced Certificate of Competency.

Note that all Certificates of Competency are issued every year following the County's fiscal year period running from October 1st to September 30th. For the next renewal period, applicants will need to submit an application for renewal and pay the fee of five hundred dollars (\$500.00) to cover the next year period. The new application needs to accompany any changes or updates made to your quality control manual implemented during this time.

In addition to the above, **Trade Associations** certified under this program must also submit at the time of renewal the following two items:

1. An Updated list of participating members in the association;
2. A Copy of all the year's quality control inspection reports conducted by your association for each of the participant members.

Thank you for your continued cooperation in this matter. Should you have any questions or require further assistance from our Office, please do not hesitate to contact us at (305) 375-2901.

Respectfully,

---

Americo Segura  
BCC- Quality Assurance Supervisor  
Product Control Division
